

ON A HUNT FOR THE THINGS I LOVE

- Something that smells good
- Something I like to wear
- Something that is my favorite color
- Something cute
- Something that makes a sound I like
- Something that makes me laugh
- Something I am thankful for
- Something that feels good
- Something I like to look at
- Something that tastes good
- Something beautiful
- Something I use a lot
- Something that keeps me warm
- Something I like to share
- Something I like to hold
- Something I love
